Every week on Monday, Wednesday and Friday between 09H00 and 12H00 a quest/task will be released on Pretoria FM, the same quest/task will be released the day after on social media and via email to our full database. ## The Treasure Hunt Application – ClueKeeper

- To be able to participate in The Ultimate Wedding Treasure Hunt, you will need to download the free App called “ClueKeeper” from your phone store.

- Once downloaded and installed you will need to search for our hunt by selecting “find hunts” then search for The Ultimate Wedding Treasure Hunt – Die Troue Skattejag (look for our logo). This part however is not free because we make use of such a high standard service you will **pay \$10-99 (US Dollars) per team**. You as a couple are a team. That means you will be able to download and install this hunt on both your devices and only pay \$10-99. This is a special allowance we got from the developers because of our relationship with the Zappar company in London.

### The Hunt:

- The hunt will start on Monday 10 September on Pretoria FM.
- Clues will be given on Pretoria FM on a Monday, Wednesday and Friday in Afrikaans.
- Clues will be given on Wedding Hub SA’s Facebook page on Tuesdays, Thursdays and Saturdays in English.
- You also need to buy the Beeld newspaper every Saturday (starting 15 September) for the full duration of the hunt to solve the final puzzle and some other word puzzles. There will be a piece of the puzzle every week which you need to cut out carefully and keep in a safe place. When you have all the pieces you will receive your final task. (You will need all the pieces to be able to continue), if you do not have all the pieces you will not be able to continue the game.
- The final task will go out Saturday 10 November.
- The Hunters then have 14 (fourteen) days to find the diamond.

### Bonus Tasks:

- Bonus tasks involve driving.
- These tasks are not compulsory, but special prizes are assigned to them to encourage you to go the extra mile.
- You may however ask a friend or family close by to stand in for you and complete the task on your behalf.
- Follow the Bonus Task instructions carefully.

### More about the ClueKeeper App:

- To start every new quest, you will need to unlock it first. Your clues on Pretoria FM will help you to discover your unlocking code for that quest.
- Each quest has several tasks you need to complete.
- Tasks cannot be skipped and must all be completed in order of appearance.
- For every task you complete you will receive points.
- Hints will be made available – some for free – some will cost you points.
- You can start the hunt at any time, so even late starters will be able to catch up, but you will never be able to jump ahead without your unlocking code's clue.
- Great prizes have also been assigned in advance for **highest scorers**, even if you didn't find the diamond, you may still win fantastic prizes.
- This App will make use of mobile data. To be able to compete in this treasure hunt, you will need mobile data to access the internet, this will be a mandatory.

### What can you use:

- You will need to use your Wedding Hub Interactive Wedding Directory. Be sure to have Zappar installed on your smartphone.

- The Wedding Hub SA's website will be a good place to look for answers, as all the suppliers have pages there. Facebook and the supplier's own website may also be used. Google is also great. The main objective is to get the answer. Sometimes you will follow instructions, and sometimes you must get creative and use your own initiative.

### Winners:

- There will be lots of winners during this hunt. Always keep your eyes on Wedding Hub SA's as well as Pretoria FM's Facebook pages. Weekly winners will be announced there.
- Bonus task winners will also be announced on our social media pages, so come back there more than often.
- Some bonus task winners will receive a prize right on the spot.
- Please keep in mind that these prizes and winning slots have been determined before the launch date of this hunt. This means that for some bonus tasks, there will be a prize for the first couple or team member to arrive there, and prizes have also been assigned to who did the best (for example) moves, went the extra mile, had the most fun, etc.
